

2022 ROSÉ

PRIORAT
DOQ

The Perinet Rosé is a unique and captivating wine from the Priorat region. It is a rare blend that showcases the essence of the Priorat terroir with its strong character. The wine is crafted using Cabernet Sauvignon and Syrah, which bring forth the flavors of the Mediterranean forest, while Carinyena adds earthiness and Garnatxa imparts floral notes. This combination results in a blend of extraordinary complexity.

WINEMAKER NOTES

The 2022 vintage experienced an extremely dry spring followed by a hot and arid summer. As a result, the harvest was short but of high quality. This particular vintage showcases a deep terroir-driven character, which can be attributed to the extreme climate conditions that prevailed throughout the growing season.

The Perinet Rosé originates from the Pendants vineyard, situated 21 km (13 miles) away from the Mediterranean coast. This vineyard is located in the most marine-influenced area of the Priorat region, near the village of Porrera. Its north-east facing position allows for abundant sunlight exposure and crucial seabreeze from the Mediterranean. This site stands out in Priorat due to its unique exposure to the invigorating sea breeze.

The Priorat rosé crafted from this vineyard presents a captivating and complex bouquet of aromas, which add to its overall appeal and allure.

TASTING NOTES

On the nose, the wine is noted for its intense aroma of red fruits, specifically strawberries, raspberries, pomegranate and red cherry, which are further enhanced by delicate floral rose and violet notes. Moving on to the palate, the wine provides a refreshing experience, thanks to its medium acidity and moderate body. The flavors of red fruits continue to shine and harmoniously blend with subtle hints of herbs like thyme and lavender.
